

Western Civilization Since 1300

AP® Edition, 10th Edition, Enhanced AP® Edition

Author: Jackson J. Spielvogel

ISBN: 9781337790048

**Meets
the AP®
Framework
for European
History!**

AP® Features include:

- *Western Civilization Since 1300* aims to put the story back in history. Historical analysis reveals how historians often disagree on their interpretations of the past, thus promoting critical thinking in the AP® classroom.
- The updated 10th edition of *Western Civilization*, aligned with the updated course framework and exam, assists a new generation of students in learning more about the past that has helped create them and the world in which they live.
- New material on world history has been added to show the impact other parts of the world have made on the West. The ongoing struggle with terrorists since 2001 has made clear the intricate relationship between the West and the rest of the world.
- It is important to understand not only how Western civilization has affected the rest of the world but also how it has been influenced and even defined since its beginnings by contacts with other peoples around the world.
- The text presents a well-balanced work in which the political, economic, social, religious, intellectual, cultural, and military aspects of Western civilization have been integrated into a chronologically ordered synthesis.
- The latest research on social history and women's history has been integrated into each chapter of the book rather than isolating it in lengthy topical chapters or in separate sections.

Featuring MindTap, the online, customizable platform that has revolutionized learning for students and teachers.

- A cloud-based, highly personalized learning environment.
- Combines student learning tools—readings, multimedia, activities, and assessments—into a single Learning Path.
- 100% of students say *MindTap* is intuitive and easy to navigate.
- Teachers easily customize learning tools for their students, seamlessly introducing their own content.
