Introduction to Comparative Politics Political Challenges and Changing Agendas

8th AP® Edition Update, ©2024

Authors: Mark Kesselman, Joel
Krieger, and William A. Joseph

ISBN: 978-0-357-86015-1

Introduction to Comparative Politics AP® Edition Promises:

- A new vibrant, full-color format and a variety of new photos and statistical data throughout all chapters featuring the most current developments and information.
- The thoroughly updated country chapters provide analyses of major recent political developments.
- A new introduction and Chapter 1 that are aligned to the newly updated AP® Comparative Government Course & Exam Description from the College Board provide the information, practices, and skills to prepare students for the AP® exam. These include details on the five disciplinary practices, five big ideas and the five course units.
- “AP® Big Idea” boxed features in the openers of each country chapter identify the relevant big ideas from the AP® Comparative Government course that are addressed in the chapter.
- “AP® Tip” boxes in the margins throughout the country chapters provide point-of-use support on how the chapter content connects to key standards on the AP® exam.
- Content in the first section of each of the country chapters has been updated to discuss the relevant AP® big ideas applicable to each country’s political and governmental landscape.
- AP® multiple-choice review questions, for student practice with the type of multiple-choice questions found on the AP® exam, are included at the end of each country chapter.
- AP® free-response questions, for student practice with the four types of free-response questions cited on the AP® exam, are included in the appendix.
