

# WEBASSIGN

## For Science

DIGITAL WALKTHROUGH

This guide will help you access and navigate the WebAssign digital platform for physics, physical science, and astronomy courses offered by National Geographic Learning. The features and navigation will be the same, but please keep in mind that the course you are reviewing may have some additional unique features and content made special for your course. Explore on your own to discover these or contact your sales consultant to learn more.

Find your sales consultant at [NGL.Cengage.com/RepFinder](https://www.ngl.cengage.com/RepFinder)
