

American Government: Institutions & Policies

AP[®] U.S. Government & Politics

17th AP Edition ©2026
Wilson, Dilulio, Bose
ISBN: 9798214095639

What's New:

- This comprehensive and completely correlated course matches the new AP course framework and exam description
- The new edition now comes with five units that meet the framework and a sixth unit that covers the 2024 presidential election updates and more
- New ancillaries include an AP Teacher Companion that help teachers that have taught AP for a long time, or teachers who are brand new to it
- The table of contents meet the new AP framework exactly
- There are new and updated test banks included in the teacher resources
- 2024 presidential election update information has been included in the seventeenth edition
- New to this edition, a complete AP Teacher's Edition
- Student Study Guides and Workbooks are now available
