

# The American Pageant (AP® Edition)

**Eighteenth Edition, ©2025**  
**Kennedy, O'Mara, Cohen**  
**9798214071107**

Kennedy's THE AMERICAN PAGEANT, AP® EDITION, 18th EDITION combines excellent scholarship with a witty and engaging narrative style and a creative look at the history of the United States in order to build students' critical thinking skills and inspire a love of American history. This best-selling AP U.S. History text is a clear and approachable book for any student studying American history. Colorful anecdotes, vivid maps, charts, illustrations, highlighted first-person quotations and the authors' trademark wit bring American history to life. Learning aids make the program's content as accessible as it is enjoyable. Brief essays opening each of the text's nine chronological sections, along with chapter-ending chronologies, help students develop a coherent understanding of the pace, phases and grand sweep of the American story. Other features present primary sources, scholarly debates and lastingly consequential historical developments for analysis.

Practice Material for the AP U.S. History Examination

## What's New in this Edition

- Special attention is paid to issues of Black history and race relations and have substantially expanded on earlier editions' coverage of Native American and Asian American history.
- The new “The Presence of the Past” feature is designed to help students understand the evolution of important contemporary issues. Topics discussed include the Electoral College, the concept of judicial review, the legacies of the Fourteenth Amendment, the rules of the Senate, the consequences of real estate “redlining” and the complexities of modern immigration policy.
- Significantly revised and expanded discussions of Reconstruction, the rise of Jim Crow and the origins and evolution of the civil rights movement have been added to help students understand contemporary debates around racial justice and American democracy.
- The text offers streamlined and revised discussions of both the Civil War and World War II, with attention to the economic and political legacies of WWII mobilization, including the growth of the Cold War military-industrial complex and the rise of the modern technology industry.

## Technology Cengage MindTap

MindTap is a cloud-based, highly personalized, learning environment that combines student learning tools—readings, multimedia, activities, and assessments—into a single Learning Path. Teachers can easily customize learning tools for their students, seamlessly introducing their own content, and also have access to powerful class reports and analytics to help save time, measure progress, and improve outcomes.
